*Completed by Permittee:*

I have installed the required Initial and Interim BMPs for the current Phase \_\_\_\_ and have installed the Initial BMPs for the proposed Phase \_\_\_\_ in accordance with the approved GESC Plan and the GESC Manual requirements. I hereby agree to provide stabilization of the current Phase \_\_\_\_ in accordance with Section 5.8 of the GESC Manual and the accepted GESC Plan by the date stated above. I understand that failure to complete the required stabilization within the allotted time frame shall result in issuance of a Stop Work Order for the entire project.
