Field Contact Name: _____
Field Contact Phone Number: _____

The Property Owner/Permittee agrees to comply with the GESC Permit for this site including:

1. Comply with all requirements in accordance with the SEMSWA GESC Manual, City of Centennial Storm Drainage Manual, GESC Plan, and GESC Permit.
2. Allow SEMSWA unrestricted access to the site to conduct regular site inspections.
3. Immediately cease land-disturbing activities upon receipt of a written Stop Work Order from an authorized representative of SEMSWA. A Stop Work Order shall be issued and this *Letter of GESC Compliance* revoked if permittees fail to take corrective action within the time specified on the written notification of such noncompliance.
4. Understand that in addition to other remedies, a violation of the GESC Permit shall constitute a violation of the SEMSWA GESC Regulation.
5. Understand any approval obtained from SEMSWA does not absolve your need to comply with the requirements to Sections 7, 9, and 10 of the Endangered Species Act of 1973m 16 U.S.C. 11531, et seq., as amended, or with any other applicable federal, state, or local laws or regulations.
6. Eliminate designated hazards whenever a SEMSWA representative determines that an excavation or embankment of fill on private property jeopardizes life and limb, or endangers property, or adversely affects the safety, use or stability of a public way or drainage channel. Failure to eliminate a designated hazard within 48 hours will result in issuance of a Stop Work Order.
7. Agree to notify all future owners, including other builders and owners of the requirements of the GESC Permit, including the Letter of GESC Permit Compliance.
