SEMSWA  
Attn: John McCarty, Executive Director  
76 Inverness Drive E., Suite A  
Englewood, CO 80112

Re: Storm Drainage Utility Fees

John,

Please find enclosed check #5391 in the amount of \$18,528.00 from the Arapahoe Park and Recreation District (APRD). This check represents payment for SEMSWA charged Storm Drainage Utility Fees for 2009 and 2010.

The Board of Directors for APRD is requesting that SEMSWA waive the delinquency charges for the 2009 and 2010. The total of the delinquency charges for these two years is \$2,889.63. APRD is justifying the request to waive these delinquency charges based on expenses that APRD has incurred that are directly related to storm drainage problems within the boundaries of both APRD and SEMSWA. During 2010, APRD has spent \$1,450.38 for split rail fencing at Fox Hill Park and \$8,075.00 for handrails at the Piney Creek Trailhead Bridge Crossing. The total expenditure of \$9,525.38 has been made in an effort to protect constituents from public safety issues that fall under the mission statement of SEMSWA.

Thank you for your consideration.

Respectfully,

Lynn H. Cornell  
District Manager  
Arapahoe Park and Recreation District
