RESOLUTION 11-28

(Authorization for Additional Funding for Design of the Piney Creek Trail at Greenfield Crossing)

WHEREAS, it was concluded at TRC (Technical Review Committee) on July 13, 2011 to revise the design of the Piney Creek Trail at Greenfield Crossing trail and culverts to also be able to use them for maintenance access; and

WHEREAS, the design change will require revising all the drawings and details; and

WHEREAS, Resolution 10-39 established the total design budget for this project to be \$40,000, which included a contingency amount of \$3,562; and

WHEREAS, SEMSWA has received a proposal from URS Corp., the consultant, to revise the Piney Creek Trail at Greenfield Crossing designs to permit the trail and culverts to also be used for maintenance access. The amount of the proposal is \$9,056; and

WHEREAS, it is typical to budget the estimate amount plus an additional ten (10) percent to cover contingencies that may be encountered during final design; and

WHEREAS, utilizing the prior contingency amount of \$3,562 and applying that as a credit to the \$9,961.60 which is the proposal for the additional design plus a 10% contingency results in the total cost of the additional design being \$6,400; and

WHEREAS, funds are available for this authorization in the 2011 Floodplain Management budget.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The available funding for final design for the Piney Creek Trail at Greenfield Crossing is to be increased by \$6,400.
2. Total cost for the work authorized herein, without prior authorization of the Board, is \$46,400.
3. The necessary funds are available in the Floodplain Management budget category.
