5. Resolution 19-18 Authorization for the Executive Director to Enter into Agreements for Capital Improvement (CIP) Project Restoration and Monitoring

Motion for Adoption: Director Sharpe

Second: Director Penalzoza

Ayes: All

6. Executive Director Report – Paul Danley

- SEMSWA held an Open House on May 6, 2019 regarding updates to the Stormwater Management Manual – Chapter 14, and the Grading, Erosion, and Sediment Control Manual in anticipation of meeting the July 1, 2019 implementation compliance schedule of the MS4 Permit.
- The Colorado Water Conservation Board conducted a community assistance visit for FEMA of SEMSWA's Floodplain Program on April 29, 2019. There were some noted Land Development Code suggestions made; no compliance issues were noted.
- Paul Danley gave an update on spring Maintenance Division projects.
- The High Line Canal Conservancy has issued a draft framework plan on how to approach re-purposing the High Line Canal from irrigation supply to stormwater/water quality

purposes. SEMSWA will review the plan and provide comments in June.

- SEMSWA staff will be meeting with the City of Denver and other entities to find solutions for the problems being created by displaced people living in and leaving trash and hazardous materials in pipes and box culverts.

7. Discussion of MS4 Permit Compliance Document – Lanae Raymond

8. Other Items

- Next scheduled SEMSWA Board Meeting – Wednesday, June 26, 2019 at 1:30 p.m.

9. Meeting Adjourned by Chair Bart Miller at 2:44 p.m.
