RESOLUTION NO. 28, SERIES OF 2007

(Adoption of Reimbursement Rate for Use of Personal Vehicle for SEMSWA Business)

WHEREAS, SEMSWA employees have the need for transportation to perform their various responsibilities ranging from maintenance work, project and GESC inspections, field work and surveying, and coordinating with agencies and entities throughout SEMSWA and the Denver metro area; and

WHEREAS, SEMSWA has purchased two utility vehicles and one pickup truck from Arapahoe County and plans to purchase three more utility type pickup vehicles; and

WHEREAS, when SEMSWA personnel were technically employees of Arapahoe County they had access to Arapahoe County pool vehicles; and

WHEREAS, as of April 1, 2007 eight employees of the Arapahoe County stormwater program officially became employees of SEMSWA; and

WHEREAS, as of April 1, 2007 three other people have been hired by SEMSWA; and

WHEREAS, now that SEMSWA personnel are no longer employees of Arapahoe County they will not have access to Arapahoe County vehicles; and

WHEREAS, even though SEMSWA will own vehicles there will still be occasion where it is necessary or more efficient for an employee to use their own vehicle for SEMSWA business; and

WHEREAS, some use of personal vehicles will reduce the number of vehicles that need to be owned or leased by SEMSWA;

WHEREAS, the reimbursement rate for City of Aurora and Arapahoe County, and the IRS mileage rate allowance is \$0.485 per mile; and

NOW, THEREFORE, BE IT RESOLVED THAT:

1. SEMSWA employees are authorized to use their personal vehicles for the conduct of SEMSWA business and to be reimbursed at the rate of \$0.485 per mile for such use.
2. It is the intention of the Board to reevaluate the reimbursement rate on an annual basis.
